HOW TO REACH MENARINI BIOTECH

The nearest airport is Rome Fiumicino (<https://www.adr.it/fiumicino>)
From here it is possible to reach Menarini Biotech by taxi or by train+taxi.

- **by taxi:** the Taxi service is available just outside the **Arrival** terminals of the airport.
- **Train+Taxi:** From the train station, located within the airport area near the airport's arrival and departure terminal, you can reach ROMA TERMINI, the main and central train station of Rome by the LEONARDO EXPRESS, a non-stop service dedicated exclusively to airport passengers to/from Rome Termini with departures every 15 minutes and a journey time of 32 minutes. From there you get a train to Pomezia Santa Palomba.
